ABOUT TRINITI DINAMIK

PT Triniti Dinamik Tbk is a real estate and property developer company in Indonesia. Since the establishment in 2014, two major projects are Springwood Residence with 1,400 units and The Smith that consists of Office, SOHO, and Residential with 652 units. After successfully building two High Rise Building projects, the Company is currently developing landed houses that are integrated with the area, namely the District East project located in East Karawang with a land area of around 26 Ha.

One of the strengths of Triniti Dinamik is the fast speed selling capability. Springwood Residence was able to be sold out in less than 6 (six) months. As for The Smith's sales, until the end of 2023 has reached 85%. PT Triniti Dinamik Tbk is part of PT Perintis Triniti Properti Tbk who also developed Projects in Alam Sutera including: Brooklyn, Yukata Suites, and Collins Boulevard, with the total project value amounted to nearly US\$1 billion.

The Company is supported by professional Management who is able to provide high quality premium and high-class project. With the certification of ISO 9001, proper quality system and corporate good governance have been implemented strictly. Therefore, the majority of customers remain satisfied with what has been delivered by the Company through its projects.

VISION

To be one of the best property developers in Indonesia.

MISSION

- Maximize customers' satisfaction.
- Boost company's values (tangible and intangible assets).
- Create synergy within all departments to gain highest productivity.
- Continuously improve human resources by recruiting, training, developing and maintaining qualified professionals.
- Bring positive impacts to society.

THE **EASTWOOD**

GREEN NEIGHBORHOOD AT DISTRICT EAST

Eastwood Cluster is a remarkable residential area designed to provide a harmonious living experience with nature. This exclusive neighborhood is built with a strong emphasis on green living, with 70% of the total area dedicated to open green spaces. The abundance of lush greenery creates an oasislike atmosphere, making it a haven for those who seek tranquillity and a connection with nature.

One of the defining features of **Eastwood Cluster** is its proximity to a pristine lake. The serene waters of the lake reflect the beauty of the surrounding trees, offering a picturesque view from many of the homes. Residents can enjoy peaceful walks along the lakeside, breathing in the fresh air and listening to the gentle sounds of nature. The lake also serves as a natural cooling system, providing a refreshing breeze throughout the area, especially in the warmer months.

CORPORATE STRATEGY

1. Strengthening Capital Foundation and Driving Sustainable Growth

The Company is committed to strengthening its capital foundation through diversification of financing sources as well as developing strategic projects in the property sector, with the main focus on the development of landed houses and commercial areas. This move aims to support sustainable business growth and strengthen the company's position in the property market.

2. Land Bank Addition through Strategic Partnerships

The Company will adopt a strategy of adding land bank and new projects through partnerships with landowners. This strategy is designed to support sustainable business expansion and ensure the availability of strategic land for the development of future projects.

3. Improved Governance, Risk Management, and Receivables Management

The Company will optimize the effectiveness of governance and risk management, with a focus on better receivables management. Thus, it is expected that the company's cash flow will be healthier and optimized, supporting a more efficient and sustainable operational cycle.

4. Measured Management Transformation and Corporate Restructuring

The Company will carry out management transformation and restructuring in a measured, directed, and structured manner in various aspects of the business. Through a sustainable transformation and restructuring strategy, the company is expected to be able to increase business resilience, competitiveness, and competitive and comparative advantages, in order to maintain business continuity in the long term.
